Spring Reading passages

A Rainbow After the Rain

After a spring storm, the sun came out. The sky was still wet, and suddenly, a rainbow appeared! It had red, orange, yellow, green, blue, and purple stripes. People stopped to admire its beauty. Rainbows only last for a short time. Seeing a rainbow is always a special surprise!

1 • What happens after a storm?

2 • What colors are in a rainbow?

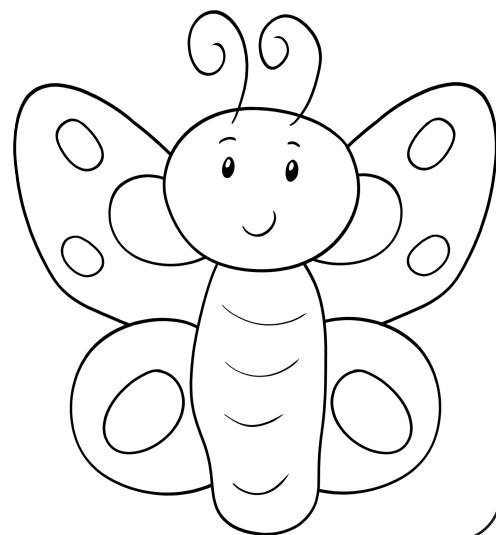

3 • Why do people like to see rainbows?

Name: _____

The First Butterfly

Mia was playing outside when she saw a butterfly. Its wings were orange and black. It landed on a flower and flapped its wings. Mia watched as it flew away. She knew that spring was finally here.

Butterflies love warm weather and bright flowers!

1 • What did Mia see outside?

2 • What colors were the butterfly's wings?

3 • Why do butterflies come out in spring?

Hey there!

I'm Rabea

I am an experienced teacher with a passion for education and creativity. Over the years, I have dedicated myself to designing high-quality educational resources and unique classroom decor to help teachers create engaging and inspiring learning spaces.

I believe that learning should be both effective and enjoyable, which is why my materials are crafted to spark curiosity, encourage participation, and support diverse student needs. Whether it's through lesson plans, interactive activities, or vibrant classroom decor, my goal is to make teaching easier and learning more exciting.

Thank you for visiting my store, and I hope my creations bring joy and inspiration to your classroom!

About This File:

This resource has been created to provide flexibility, making it easy to adjust and customize to meet the unique needs of your classroom and students.

Feel free to use your own fonts or write in a different language if needed.

Please keep in mind that while you can edit the text, the colors, clipart, and design layout are not changeable.

To make edits, you'll need Microsoft PowerPoint. Ensure you're using the latest version of the software to avoid any compatibility problems.

How to Edit Your Files

Open the file in Microsoft PowerPoint to begin editing. You can modify the text by clicking on the text boxes and typing your content. Fonts can be customized by selecting your preferred style, size, or color, but ensure any custom fonts are installed on your device. Images and design elements are locked to preserve the layout and cannot be altered. For a smooth editing experience, ensure your PowerPoint software is up to date.

Terms of Use:

This purchase is licensed for single-classroom use only. Duplication for additional classrooms, entire schools, or any commercial purposes is strictly prohibited without prior written consent from the author.

Copying, sharing, or uploading any part of this product to the Internet in any form (including but not limited to, personal websites, classroom sites, or file-sharing platforms) is a direct violation of the Digital Millennium Copyright Act (DMCA) and is strictly forbidden.

Thank you for respecting the effort and creativity that went into creating this resource. Your support means so much, and I hope this product brings value and enjoyment to your classroom!

YOU MAY

- Use this resource for personal or single-classroom use.
- Customize the text to suit your classroom needs.
- Add your own fonts or type in another language.
- Print copies for your students within your classroom.

YOU MAY NOT

- Share, copy, or distribute this file to others.
- Upload any part of this file to the Internet or file-sharing platforms.
- Alter the clipart, colors, or design elements of the file.
- Use this resource for commercial purposes or multiple classrooms without permission.
